YMP Reading

Adventures

Our summer program was established with the intent of providing flexible scheduling choices for families and various options to meet the individual interests of children. YMP Summer Adventures is a literacy rich program geared for ages 4 - 8. We select books that will open doors to imaginative play and hands on learning experiences while maintaining the atmosphere of fun and relaxation as every childhood summer time should be. Your child will experiment with art, science, cooking and geography in thematic units that correlate to stories read as a group. While these sessions are strictly fun, our games and exercises are designed to aid the children's phonemic and mathematical skills.

Schedule Information

Our programs run on a weekly session from Monday to Friday. It starts at 8:30 AM and ends at 4:00 PM. Extended care is available as early as 7:30 AM and as late as 5:30 PM for an additional fee. Summer camp starts the week of June 22nd 2009 and runs for the next consecutive 8 weeks excluding the June 29th week in which our center closes for summer vacation.

Dates/schedule may change at YMP's discretion.
